

**ICSP 2023**

# **International Conference on Sintering & Pelletizing 2023**

**18<sup>th</sup> -19<sup>th</sup> January, 2023**

**Venue: Beldih Club, Jamshedpur, India**

# About the **Conference**

Sintering and Pelletizing are the widely used technologies for agglomeration of iron ore fines. Over the years significant improvements have taken place in the area of utilization of low-grade iron ore, minimizing energy input, increasing productivity & quality at minimum cost. Tata Steel along with IIM Jamshedpur and Pellet Manufacturers association of India (PMAI) is pleased to organize the International Conference on Sintering and Pelletizing 2023. The conference will be conducted in a hybrid mode.

## **This conference will focus on:**

- ◆ **Innovations in process control:** Productivity and Quality
- ◆ **Operational maintenance:** Best practices in different technologies
- ◆ **BF & DRI grade pellets:** Challenges and opportunities
- ◆ **Beneficiation of low/medium grade iron ore for pelletisation:** Challenges and economics
- ◆ **Sustainable solutions:** De-carbonisation, energy and emissions
- ◆ **Digitalization:** Increase asset utilization & application of advanced analytics

The conference will provide an opportunity for researchers, academicians and industry professionals to interact and deliberate up on the major challenges and opportunities in the iron ore agglomeration processes. It will contribute to the advancement of the agglomeration technology resulting in efficient Iron making operation.

## **Who should attend:**

- ◆ Agglomeration industry plant operation and maintenance managers
- ◆ Process equipment suppliers & designers
- ◆ Researchers and Technologists

## **Whom you expect to meet:**

- ◆ Process experts in agglomeration
- ◆ Equipment design and Engineering experts

## Tentative **Schedule**

**18<sup>th</sup>**  
January

- ◆ Invited Lectures
- ◆ Technical session on Benchmarking and sharing of best practices

**19<sup>th</sup>**  
January

- ◆ Parallel Technical Sessions
- ◆ Plant Tour
