Indian Iron ore Supply-demand Balance by 2030 (Hall A Iron Ore)	Is Coal the Cornerstone of India's Current and Future Energy Security? (Hall B Coal)
<p>This session will zoom in on the upcoming iron ore mining capacities in India, concerns around deterioration in raw material quality and how this poses a formidable challenge in furthering the decarbonisation goals of domestic steel mills.</p>	<p>This session seeks to present a holistic perspective of India's growing energy demand, the evolving energy matrix, the country's long-standing dependence on coal-fired power, clean coal technologies, and emerging energy transition pathways.</p>
<p> AK Padhy, ED (Commercial), NMDC Ltd <i>-How will the Indian iron ore industry unfold in 2030</i></p> <p> Dilip Agarwal, Chairman & Non-Executive Director, Super Smelters Ltd.</p> <p> Sirsendu Mukherjee, Chief Operations - Ferro Alloys & Mineral Division - Tata Steel Ltd.</p> <p> Anil Patro, Head- Iron Bearing Raw materials - AM/NS India</p> <p> Sachin Shetty, Managing Partner, Quesrow Consulting</p> <p> Dhruv Goel, CEO, SteelMint</p>	<p> Michelle Manook, CEO, World Coal Association <i>-Importance of coal in India's current & future energy security (Virtual Address)</i></p> <p> A K Saxena, Senior Director, TERI</p> <p> Ashish A. Navaney, Head – Minerals & Agri Trading - Tata International Ltd.</p>

How are Dynamics Changing in the key Iron ore Producing States? (Hall A Iron Ore)	India's Projected Coal Demand by 2030 and Outlook on Imports (Hall B Coal)
<p>This session will closely track the upcoming mine block auctions in mineral-rich Indian states such as Maharashtra and Goa which are expected to contribute in a much larger way towards sustaining and supporting India's phenomenal growth in steel production.</p>	<p>In this session the focus will remain fixed on India's burgeoning coal demand and escalation in imports, as well as sector-wise coal consumption and imports against the backdrop of the government's import substitution policy.</p>
<p> Manish Singla, Associate Director Energy & Natural Resources, CRISIL</p> <p> Dr. Shanbhogue, Director, Directorate of Mines & Geology, Govt. of Goa <i>-Rebooting of mining in Goa</i></p> <p> G Rajesh, Director of Mines, Directorate of Mines & Geology, Govt. of Odisha <i>-How are Iron ore market dynamics changing in Odisha</i></p> <p> Rajesh Gupta, Director, Lloyds Metals & Energy Ltd. <i>-Redefining India's Iron ore map</i></p>	<p> Swapnil Gupta, Director (Metals & Mining), PwC <i>-India's projected coal demand by 2030 and outlook on imports</i></p> <p> Rahul Mittal, MD, Janki Corp Ltd. & Chairman at Sponge Iron Manufacturing Association (SIMA)</p> <p> Tapan Agarwal, President Corporate & COO S.A. Divison, Agarwal Coal</p> <p> Siddharth Choudhary, Head - Thermal Coal, MENA and Indian Ocean – Trafigura</p> <p> TBA, Coal India Ltd. (CIL)</p>

Why are Pellets Gaining Importance in Iron Making? - An Insight into Emerging Trade Flows (Hall A | Iron Ore)

This session will offer snapshots of the growing importance of pellets in steel-making and how pellets can be used as a lever to increase process efficiencies and combat emissions.

-  **T Saminathan**, CMD, KIOCL
-The role of pellets in Decarbonization and increase in productivity
-  **Rakesh Arora**, Managing Partner, Go India Advisors
-  **Anil Chaudhary**, CEO - Metals & Mining, Essar Minmet
-  **ND Rao**, President, Amalgam Steel
-  **Abhishek Agrawal**, Executive Director, HIRA (Godawari Power & Ispat)
-  **Thomas Schwalm**, Chief Technology officer, NewFer GmbH
-  **Dr. Sabuj Halder**, Head, Process Technology Field Connect - Tata Steel
-  **Ayesha Gaglani**, Head - Pellet Exports, AM/NS

Commercial Coal Mining - Ambition vs Reality (Hall B | Coal)

Have the commercial coal mining auctions been successful in increasing domestic production? What are the reasons behind the interminable delay in operationalisation of auctioned mines? This session will address these pressing issues.

-  **Tushar Chakraborty**, Director, Deloitte
-Commercial Coal Mining - Ambition vs Reality
-  **Thomas M. Cherian**, MD, Essel Mining
-  **Kapil Dhagat**, EVP-Head BU CMG & Mining, JSPL
-  **Shubham Goel**, Vice President, SBI Capital Markets Limited

17:45 to 19:15 | Success Stories - Dare to Dream

-  **Sajjan Kumar Patwari**, Founder-Chairman, Rashmi Group, WB
-  **Brij Bhushan Agrawal**, Vice Chairman & Managing Director, Shyam SEL, WB
-  **Umesh Agrawal**, Co-Founder & Director, Real Ispat and Power, CG
-  **Deepak Agarwal**, CMD, Shakambhari Group, WB (Session Moderator)

19:30 - 22:00 | Cocktail followed by Networking Dinner & Hamelin Band - En-Route to Bengal Instrumental

Day 2 | 25. 08. 2023

08:00 AM Onwards | Registrations

09:45 - 11:30 | How is the Steel Industry Gearing up to Address Carbon Emissions?

How are steel mills worldwide preparing for a seamless transition to low-carbon steel-making? What are the challenges confronting Indian mills and how might they shape the industry's dynamics in the coming decades?

 **Shri Anil Nachrani**, President, CG SIMA
Welcome address

 **Shri Faggan Singh Kulaste**, Minister of State for Rural Development and Steel of India, GoI
-Special Address

 **Dr. Aruna Sharma**, Practitioner Development Economist and Independent Consultant
-What are the Govt. initiatives to decarbonise the steel Industry? (Virtual Address)

 **Dr. Sabuj Halder**, Head, Process Technology Field Connect - Tata Steel Ltd.
-Potential Interventions to Reduce Carbon Footprint in Iron making

 **Naveen Ahlawat**, Head - Green Hydrogen, Gasification projects & CCSU, JSPL

 **Indranil Chatterjee**, Senior Vice President - International Carbon Exchange

 **Debarka Chakraborty**, Principal Consultant - M. N. Dastur & Company (P) Ltd.

 **Agamoni Ghosh**, Managing Editor - Compliance Carbon Markets - S&P Global

11:30 - 12:45 | Key Govt Policies to Look out for in the Mining Sector

This session will shift the spotlight on key regulatory changes affecting the mining sector, namely the proposed NMI and streamlining the royalty calculation methodology, as well as the government's beneficiation policy.

 **Shri Raosaheb Patil Danve**, Ministry of State for Rail, Coal & Mines, Govt. of India (Invited)
- Special Address

 **P M Prasad**, CMD, CIL (Invited)

 **Tushar Chakraborty**, Director, Deloitte

 **Sumit Deb**, President, FIMI

 **AK Padhy**, ED (Commercial), NMDC Ltd.

Will Downslide in Global Non-coking Coal Prices Continue in 2023? (Hall A Coal)	India: Rising Demand of Sponge Iron and Potential of Exports (Hall B DRI)
Have thermal coal prices entered a period of structural decline or will prices rebound on stronger Asian demand in 2023 and beyond? This session will lay bare the fast-evolving dynamics of global non-coking coal trade.	The key focus of this session will be on the emerging opportunities before domestic metallics exporters amid expanding steel capacities in South Asia, as well as the future of merchant players in the market.
 Hendra Sinadia , Executive Director, ICMA <i>-How is Indonesia's coal industry faring amid geopolitical upheavals and global energy transition?</i>  Siddharth Sud , Head - Coal (Indian Sub - Continent), ITOCHU  Suneet Kochhar , VP, Rawmet  Aman Singal , Head – Sourcing & Optimisation (Minerals) - Tata International Ltd.  Andrey Ryabinin , CEO, Panacape	 Deepak Agarwal , CMD, Shakambhari  Pankaj Khetan , MD, Sponge Sales (India)  Anurag Sharma , Director & Business Head, Jagdamba Steels  Sanjoy Kumar Ghosh , Head- Supply Chain Management, BSRM  Ranjit Kumar , Lead Sponge Iron (DRI) Sales - Tata International Ltd.  Akhilesh Kumar , Sr Divisional Head (Strategic Procurement & DRI Sales)Tata Steel Long Products

15:00 - 16:00

Global Metallurgical Coal & Coke Market Trends: Will Supply Concerns Intensify? (Hall A Coal)	Recycling Gaining Pace in India (Hall B DRI)
Global met coal prices have corrected sharply since unprecedented volatility seen in 2022. Will the market face further supply pressure? This session will attempt to decode these issues and the emerging dynamics of global met coke trade	This session will focus on India's scrap generation potential. The key debate revolves around whether higher domestic scrap generation will rein in imports, or whether imports will surge to meet the country's rapid steel production growth.
 Rashmi Singh , Chief General Manager, Incharge Coal Import Group - SAIL	 Sachin Shetty , Managing Partner, Quesrow <i>-What is India's potential for scrap generation by 2030?</i>

- 👤 **Puneet Jagatramka**, EVP - Opex & Bulk Procurement, JSW Ltd.
- 👤 **Amita Khurana**, Group Chief- Raw Materials Procurement Tata Steel
- 👤 **Tiankuo Jiang**, Metallurgical Coal & Coke Trader, CCS
- 👤 **Himanshu Bajaj**, President, IMR

- 👤 **Nitin Kabra**, Director, Bhagyalaxmi Rolling Mill Pvt Ltd.
- 👤 **Dinesh Adukia**, Managing Director, Adukia Industries
- 👤 **Vivek Prasad**, Head of Sales Marketing - Steel Recycling Business - Tata Steel Ltd.
- 👤 **Arunava Mandal**, General Manager, RA and Assisted Sourcing, Mjunction

16:30 - 17:30

Climate Change & Shipping: Which way is the Tide Turning? (Hall A | Coal)

This session will attempt to find answers to such difficult questions as to how decarbonisation of the global shipping industry might affect bulk trade and freight rates and how shipping companies are gearing up to address this huge challenge?

- 👤 **Capt. Ravi Shukla**, General Manager, Bulk Marine
- 👤 **Kishore Sippy**, MD, BRS Shipbrokers
- 👤 **Sabyasachi Mishra**, Business Head, JSW International Tradecorp
- 👤 **Manish Gulati**, Head - Commercial, Interocean Group

Prospects of Indian Coal Based DRI Industry (Hall B | DRI)

This session will explore the different options available to domestic sponge iron plants to make the transition toward a less emissions-intensive and sustainable future through adoption of disruptive technologies.

- 👤 **Gopal Krishna Sharan**, Chief Mentor, Super Smelters
- 👤 **Vikas Agarwal**, Director, Calstar Steel Ltd.
- 👤 **Shankar Lal Agarwal**, President, WBSIMA
- 👤 **Dr. T. Bhaskar**, Chief Technology Officer, Tata Steel Long Products Ltd.
- 👤 **Vivek Agrawal**, COO, GPIL
- 👤 **M K Sheshadri**, Plant Head, Giridhan Metals Pvt. Ltd.

18:00 - 22:00 | Cocktail, Humsufi Band & Presidential Dinner by SRMA (Steel Re-Rolling Mills Association of India, WB)

Presented by

Steel Re-Rolling Mills Association of India (West Bengal)

Day 3 | 26. 08. 2023**09:45 - 10:45 | India's Steel Growth Story & Growing Role of Renewables**

👤 **Arvind Kumar**, CGM, Head Sales & Marketing, Rungta Steel
-How is rungta steel driving growth in the Indian steel industry ?

👤 **Vijay Kumar Patodia**, Founder and CEO, Sungreen Power & Renewable Energy Pvt. Ltd.
- Why indian steel industry should consider installing solar?

11:00 to 12:00 | Chartering India's Steel industry- The Young Leader's Perspective

👤 **Gaurav Agrawal**, Director, Real Ispat & Power Ltd., Raipur

👤 **Keshav Beriwal**, Director- Shyam steel Industries, Kolkata

👤 **Hitesh Adukia**, Director, Adukia Industries, Kolkata

👤 **Mridul Agarwal**, Director, Shakambhari Group, Kolkata

👤 **Vedang Jajodia**, Director, Jai Balaji

👤 **Anurag Agarwal**, Executive Director, MS Agarwal Foundries Pvt. Ltd., Hyderabad

12:00-13:30 | Motivational Session with Mr. Boman Irani
